AN INSPIRATIONAL HUB FOR  
GROWTH AND DEVELOPMENT

# ABOUT PROJECT

O F F I C E   S P A C E   M D

Located in the very heart of Sarajevo, the Marijin Dvor office space is designed as a relaxing and inspiring environment dedicated to learning, career counseling, and personal development. Its modern design fosters professional growth, productivity, and the exchange of ideas among driven and successful individuals.

## CLASSROOM

The spacious and well-lit main classroom accommodates up to 20 people and is furnished with comfortable armchairs. It is thoughtfully designed to encourage interaction among participants as well as effective communication with the instructor. A blend of wooden elements, concrete-textured walls, and copper mesh accents creates a modern and dynamic atmosphere. A centrally placed TV and sleek black console add an extra layer of sophistication.

# KITCHEN

The kitchen is divided into two zones – a functional line equipped with essential appliances, and a relaxation area featuring a semi-circular bar and high stools. The combination of warm and cool tones, along with contrasting elements of wood, copper, concrete, and metal, creates a welcoming environment for breaks, informal conversations, and relaxation.

HALLWAY

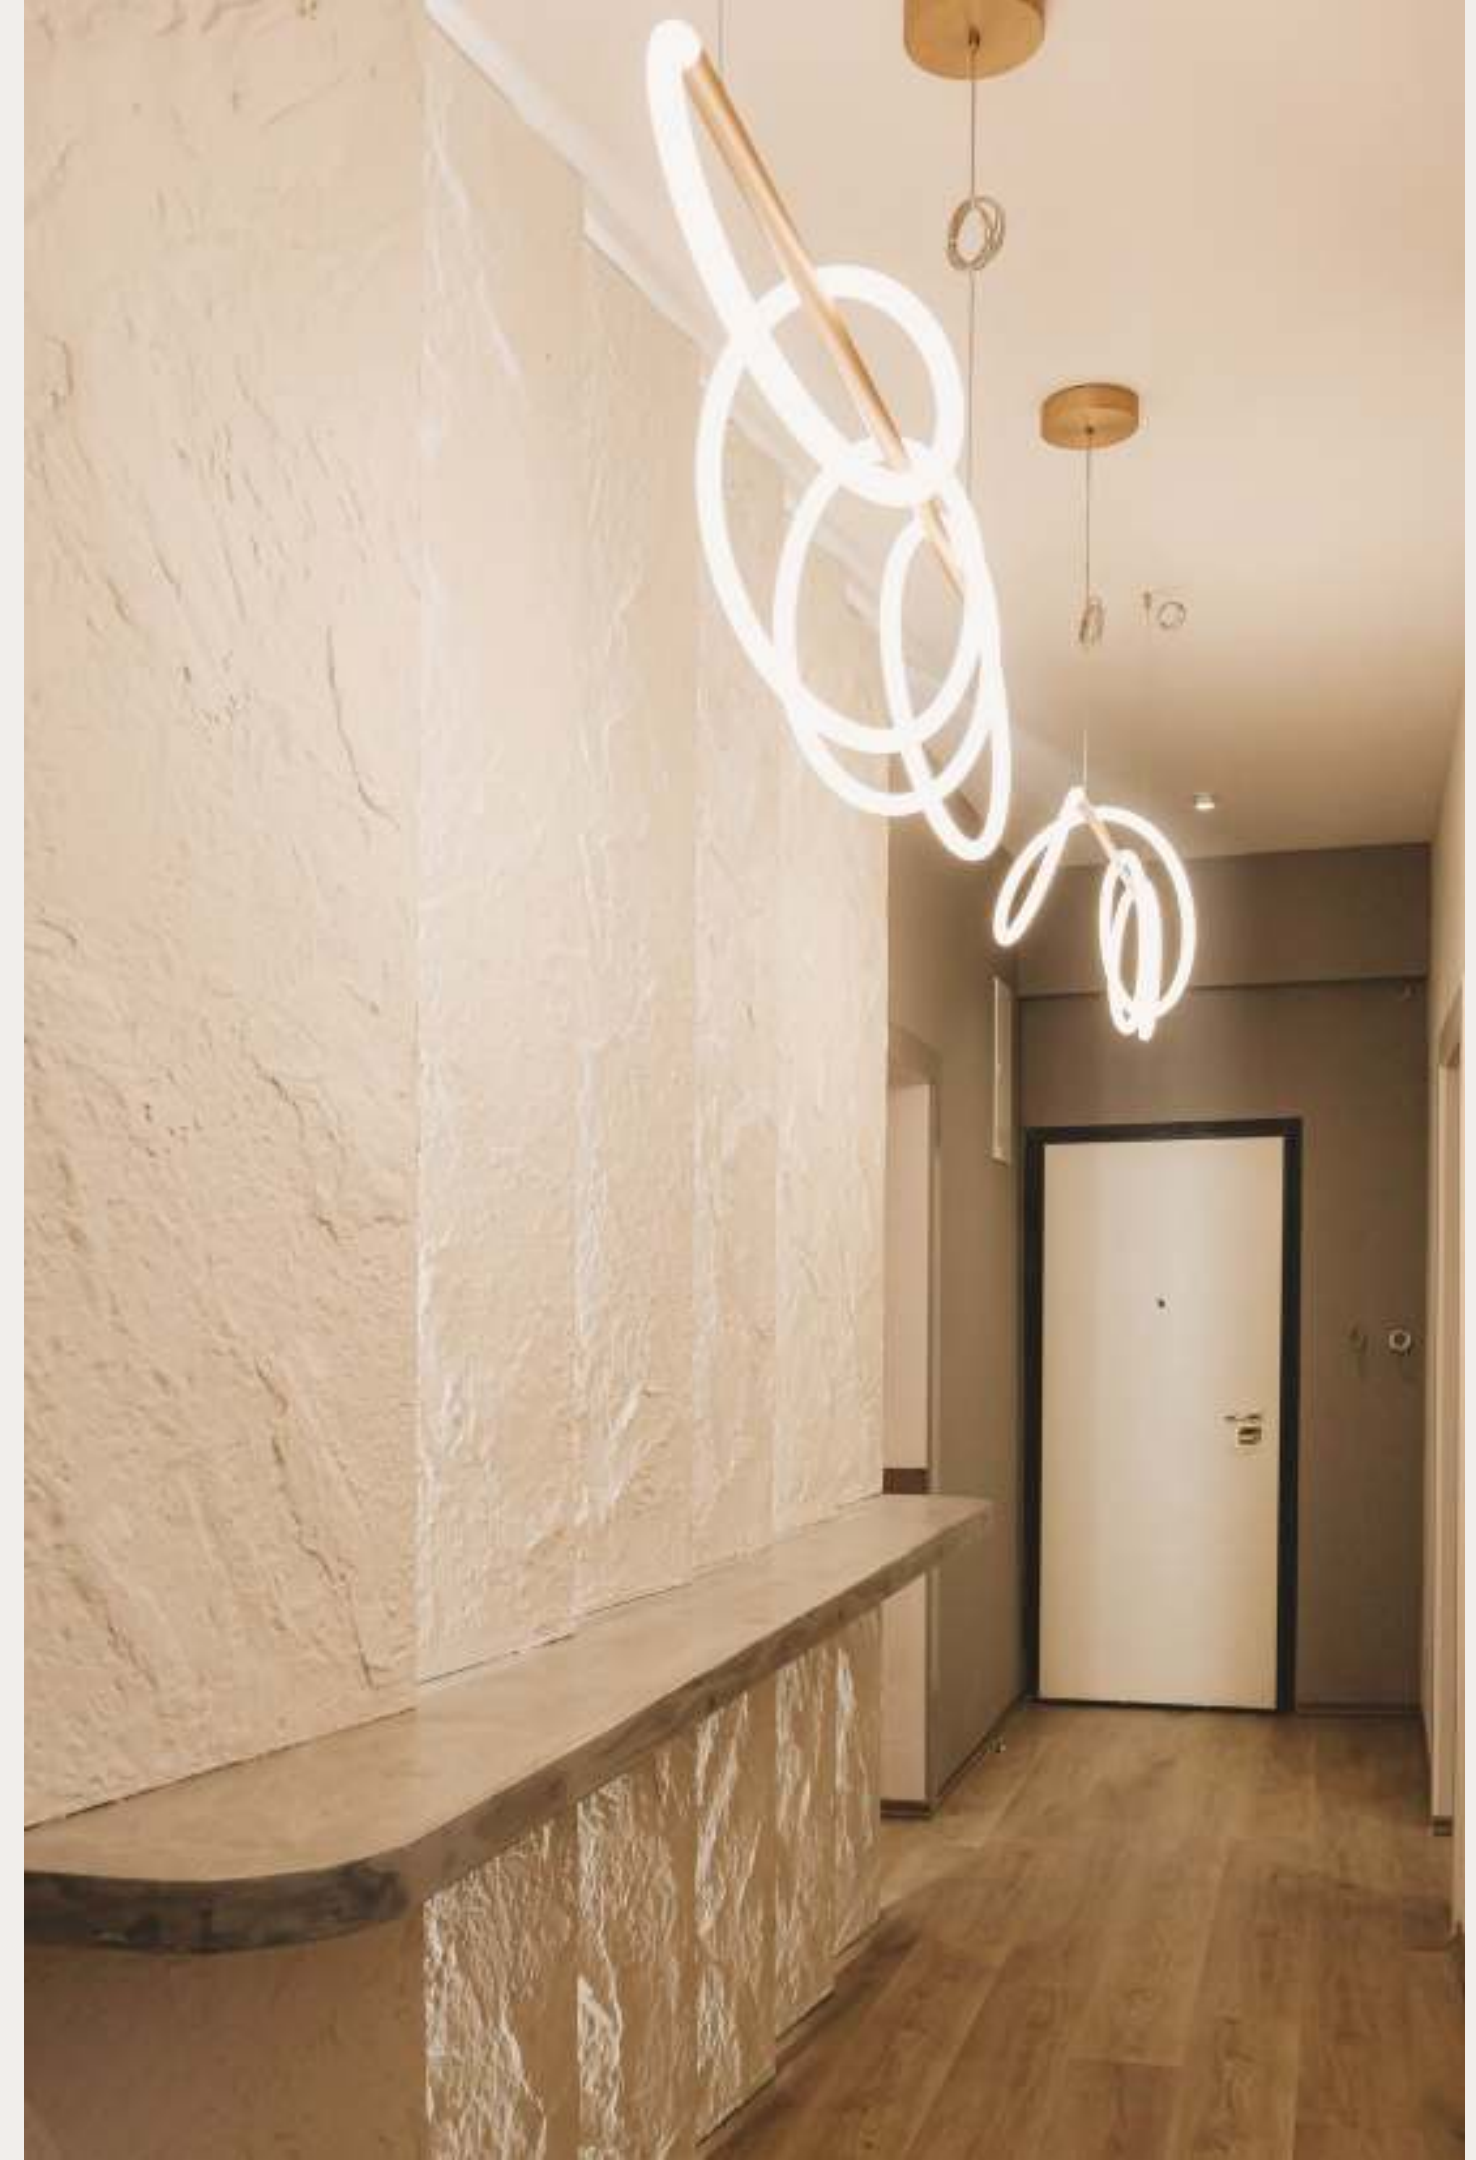

---

# HALLWAY

The hallway features an elegant blend of grey tones and stone textures, enhanced by modern chandeliers and LED lighting that highlights key design elements. The entrance to the cloakroom is discreetly integrated into the wall panels and accentuated with wooden beams that echo the warm palette used throughout the interior.

# RESTROOM

The restroom showcases a sophisticated blend of modern cool-toned tiles and bronze details, including the faucet and decorative wall tiles behind the mirror, evoking a sense of luxury and style.

## D E T A I L S

Special attention has been paid to details – from the variety of textures used in the kitchen elements and wall coverings, to carefully selected decorative panels. Every part of the space contributes to a harmonious whole, balancing character and functionality with refined precision.
