The Typical Kosovo Home: Excessive but Limited

- Rooms with limited flow / flexibility
- Small windows, poor natural light
- Outdated materials and functional constraints
- Cultural context of a typical Kosovo home

DIAGRAMS OF INTERVENTION

The Transformation- Key Design Changes

- From Constrained to Open, From Dark to Light.
- Removing walls, creating open spaces.
- Maximizing natural light and creating a connection with the outdoors.
- Open floor plans, multi-use SPACES / FLOOR.

FUNCTION & ORIENTATION

Living, workspace, and storage functions are blended fluidly, a synergy mirrored in the building's exterior expression.

The Vision: Transforming the Ordinary into the Extraordinary

- The facade and layouts explore a dynamic interplay of asymmetry and balance, evoking a sense of infinity and seamless connectivity.
